## **Position Posting Fire Safety Coordinator**

**For full consideration, apply by August 1, 2010**

Ohio University seeks qualified individuals for the position of Fire Safety Coordinator in the department of Environmental Health & Safety.

The general job responsibilities include, but are not limited to the prevention or control of injuries and fire losses and ensuring compliance with applicable codes and practices associated with fire and life safety systems at Ohio University. This position requires a thorough understanding and application of fire and life safety including codes, standards, fire protection engineering and equipment principles, electrical systems, equipment testing, fire prevention inspections and educational practices related to fire safety

We seek a candidate with a commitment to work effectively with students, faculty and staff from diverse backgrounds.

Position will remain open until filled. For full consideration, apply by August 1, 2010. Interested parties must apply online using the following link:
