Since 1977, the Campus Safety, Health and Environmental Management Association (CSHEMA) has sponsored the Scholarship Award Program to encourage the study of safety and environmental management. Currently, one \$2,000 scholarship is awarded annually. The program is open to all undergraduate and graduate students in all majors/disciplines, who are currently registered as full-time students in North America. A full-time student is one who is carrying 12 credit hours per semester, trimester or quarter. **Undergraduates and graduate students must have at least one year of study remaining in their degree program.** To be considered for the award, students must meet the following requirements: 1) submit an official transcript, 2) complete this application form, 3) write and submit an essay (see Section III). **The application, essay and an official transcript (delivered in sealed envelope with university/college seal) must be placed in the same envelope and mailed by March 31 to the address above.** Any additional, extraneous materials (photos, resumes, research materials, etc.) will not be considered and will be discarded. The CSHEMA Scholarship Committee will select the recipient. The scholarship, which is dedicated to the memory of Dr. Fay Thompson, will be announced or presented at the annual CSHEMA International Conference.
